

Year 11 Home Learning - 15th to 26th June

This document is designed to provide some advice and guidance for families in the event of school closures. We know that you will be anxious about your sons and daughters missing lessons. We want to ensure that all students have access to appropriate learning activities, but we are also aware that, in the current climate, there is a huge amount of information being shared and that this in itself can be overwhelming for both pupils and parents. This document will hopefully provide an easy reference guide and starting point to support you at this time.

Planning Learning Activities

Over the page, each department has provided some suggested activities for pupils to undertake, as well as details of resources which can provide further learning opportunities. Obviously every family will be experiencing a different set of individual circumstances which may impact on students' ability to engage in school work. We understand this, but if schools do have to close for a period of time, and your son or daughter is well, it may be useful to consider establishing a schedule of activities in order to maintain some sense of normality and structure. We would suggest establishing three activities per day of no more than approximately 45 minutes. We would also encourage pupils to use any extra free time they have to read, to take exercise and to take some time to relax.

The details included here will provide a starting point. If necessary, we will update this information with further suggestions and resources. If possible, please keep in touch with school electronically and via social media. Follow us on twitter @ypantschool and use the school website www.ypant.co.uk

Communication Tools

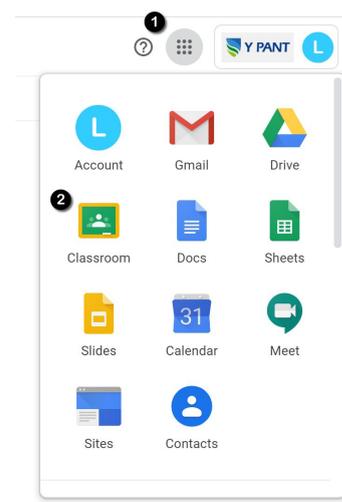

Teachers will be sending activities home for pupils using one of three methods: MILK (our existing homework app), Gmail or Google Classroom. All pupils have a Gmail address which allows them to access Google Classroom. The address is their 6 digit user number @ypant.co.uk and the password will be the same as the one they use to log into the computer at school.

Google Classroom

Google Classrooms are online collaborative working environments for teachers and learners. Many classes have a Google Classroom and staff can post material, information and assignments in the classroom for pupils to view and complete.

To access Google Classrooms students should:

- Log in to their school Gmail.
- They will see the 9 dot icon the right-hand corner of the screen ❶
- By clicking this, students can access the full range of Google Suite for Education services including Google Classroom. ❷
- All of the classrooms a pupil has access to will appear in their browser so they can select the classroom of the subject they want to access.
- Google Classroom apps can also be downloaded for mobile devices and tablets and if push notifications are enabled, they will inform you of any new material or assignments as they are set.

Year Group Contact Details

Head of Progress	Mr C. Browne	2020@ypant.co.uk
Assistant Head of Progress	M L. Jones	
Senior Leadership Link	Mrs S. Burnell	

Year 11 English	
Activity 1	If you are considering studying English Literature for AS Level, there is a Google Classroom (code: xhfik6l) which has been running for four weeks now, with excellent uptake from Year 11 pupils so far. We are reading Jane Eyre to prepare for the AS course, with supporting material and questions set each week, one chapter per week. If you have not been using the Google Classroom up to now, but are considering taking English Literature, please visit the Google Classroom to participate in the activities and email Mrs Dyson (jen.dyson@ypant.co.uk) for advice on how to catch up.
Activity 2	If you are considering studying English Literature for AS Level, there is a Google Classroom (code: xhfik6l) which has been running for four weeks now, with excellent uptake from Year 11 pupils so far. We are reading Jane Eyre to prepare for the AS course, with supporting material and questions set each week, one chapter per week. If you have not been using the Google Classroom up to now, but are considering taking English Literature, please visit the Google Classroom to participate in the activities and email Mrs Dyson (jen.dyson@ypant.co.uk) for advice on how to catch up.
Activity 3	If you are considering studying English Literature for AS Level, there is a Google Classroom (code: xhfik6l) which has been running for four weeks now, with excellent uptake from Year 11 pupils so far. We are reading Jane Eyre to prepare for the AS course, with supporting material and questions set each week, one chapter per week. If you have not been using the Google Classroom up to now, but are considering taking English Literature, please visit the Google Classroom to participate in the activities and email Mrs Dyson (jen.dyson@ypant.co.uk) for advice on how to catch up.

Year 11 Biology	
Biology	If you intend to take AS Biology in September, please join Google Classroom (Biology Year 12 2020 - 2021) code - 3ogagez
Medical Science	If you intend to take Medical Science in September, please join Google Classroom (Medical Science Year 12 2020 - 2021) code - rld7ki7
Resources	Resources and information will be sent to you via Google Classroom
Contact	Email: Head of Biology - Mrs E. Mitchell liz.mitchell@ypant.co.uk
Year 11 Chemistry	
Activity 1	If you intend to take AS chemistry, please revise your year 10 calculations booklet, as you will be tested on this topic during the first fortnight of the year 12 course.
	Further information about AS WJEC chemistry can be found on the BBC Bitesize website. Also, Swansea University has set up an online course for pupils in years 11-13 "modules of the week" with zoom sessions, video, quizzes and worksheets. https://canvas.swansea.ac.uk/courses/15374
Resources	All pupils should have the year 10 calculations booklet. If not please email to request it electronically.
Contact	Email: Head of Chemistry - Dr. S. Ford susan.ford@ypant.co.uk
Year 11 Physics	
Activities and Advice	For those of you thinking of taking AS Physics, there is a classroom, code 3z5bn2o, that you will need to join to get resources tailored for you. Please then visit the Google Classroom to access material and for instructions on how to complete the work. However, please complete all year 11 booklets/work first. Please note that for those of you thinking of taking AS Physics, the work on the google classroom will form part of an assessment, at some stage, on your return to School.
Resources	BBC Bitesize - look for resources linked specifically to WJEC specifications www.tanio.cymru (bilingual resources for WJEC) Opt for English version obviously. There are daily science demos on the Techniquet website. They are not connected with the work covered in your booklets but they are interesting. There are many other Websites out there that will aid you in completing work set by your class teacher.
Contact	Email: Head of Physics - Mr A. Gardner andy.gardner@ypant.co.uk
Year 11 Art	
Activity 1	If you are opting for AS Art please join the classroom set up to help you prepare for this course.

Year 11 Media Studies

Activity 1	<p>If you are interested in taking Media Studies AS next year, please join our google classroom (code: 57m2mro). This has been running for a few weeks and some pupils have already engaged in a productive and creative way to a media related challenge. Over the next few weeks we will be posting links to resources, giving you reading and viewing recommendations and setting tasks and assignments to prepare you for AS study.</p> <p>Please be aware that you DO NOT have to have taken Media Studies GCSE to be able to take AS level, however it is important that you have an interest in the subject. It is also important that all prospective Media AS students complete the preparation work that is set on google classroom in order to be prepared for year 12.</p> <p>Watch this video if you're not sure why Media Studies is a great subject to choose! https://www.youtube.com/watch?v=mrGzzbOgdJw</p> <p>Please e-mail Miss Mills (olivia.mills@ypant.co.uk) if you have questions about the course</p>
Activity 1	
Resources	
Contact	Email: Head of Media Studies- Miss O. Mills olivia.mills@ypant.co.uk

Year 11 Physical Education

Activity 1 (All pupils)	<p>There is a google classroom set up for those hoping to take PE at As level in Year 12. Once back in school, there will be a test consolidating the years work in the form of a past paper exam. This will give you guidance as to where your areas for improvement are prior to Year 12. It will cover all topic areas so please look at the key questions at the beginning of each workbook uploaded on the classroom to check your understanding. There are a couple of students who haven't studied PE at GCSE level and these students will still be expected to sit an exam but the exam will be modified to aid your understanding. For these students, please can you concentrate on Unit 1a,1b and 2a,2b.</p> <p>Classroom Code: zgtxweb</p>
Activity 2 (GCSE only)	
Activity 3 (GCSE only)
