October 2020

Dear Families,

I am sorry to advise that we have had to cancel our much looked forward to Open Evening this year. We were very excited to welcome you into our school and to meet you in person, however, we will need to wait a little while longer until we can do this.

We appreciate that for you, as parents, and for our young people in Year 6, this is an important and exciting time as you begin to plan the move to Secondary school. I hope the supporting prospectus and letter from my colleague Mrs Burnell will provide you with a flavour and insight into what Y Pant offers.

As a school we have high expectations and aspirations for our all our young people. We pride ourselves on our excellent teaching which every year results in excellent outcomes for our students. This, coupled with a state-of-the-art building and first-class pastoral care, means that students who are successful in gaining a place with us flourish educationally, emotionally and physically.

Respect is a core value of the school and what makes us most proud is the manner in which almost all pupils conduct themselves. Manners do begin at home, but part of our role is to develop socially responsible citizens who will be an asset to their local and global communities. It is important then that should you choose Y Pant you, as parents and as prospective students, know that we will be expecting you to respect the rules that we lay down as part of our school's ethos.

If, after reading the attached, you still have questions you would like to find answers to then please do not hesitate to contact us at the school on [admin.ypantcomp@rctcbc.gov.uk](mailto:admin.ypantcomp@rctcbc.gov.uk) We are passionate about education and how it can change the life chances of our young people but we also want to ensure we build polite, engaging, respectful citizens who are outstanding ambassadors for their communities.

I can guarantee you that if you choose Y Pant we will work with you and your child to ensure they are happy and achieve their academic potential whatever that may be.

Yours sincerely,

Mrs B Cheetham  
Headteacher
