

Behaviour for Learning Policy DRAFT

The 'Y Pant Way'

The 'Y Pant Way' has three clear expectations that students are:

- Ready
- Respectful
- Safe

The school rules are based on these three clear expectations of students:

	Inside the Classroom	Outside the Classroom
Ready	<ul style="list-style-type: none"> • Students to stand for teacher to begin lesson. • Be organised and ready to begin work. • Listen when teacher speaks. 	<ul style="list-style-type: none"> • Arrive on time for lessons. • Make class changes quietly and quickly. • Line up quietly outside the classroom.
Respectful	<ul style="list-style-type: none"> • Complete all work to the best of your ability. • Respect your teacher and your classmates. • Respect the classroom as a place of learning. 	<ul style="list-style-type: none"> • Respect the school building and our community. • All litter to be placed in the bin; recycle where appropriate • Wear the correct school uniform.

Covid-19 Behaviour Additional

Most of our pupils behave admirably all of the time but parents and pupils have been reminded that now, more than ever, it is important that pupils who attend school, do so in a respectful manner. The parent of ANY pupil who misbehaves will be contacted and expected to collect their child immediately. We will not put others at risk for the small minority who chose to behave unsafely. We are requesting Governors agree that, in addition to our usual behaviour policy, the following Covid-19 additions be made:

- “Pupils must be respectful of others personal space at all times and try to maintain a metre distance at all times
- Pupils should not touch one another
- Pupils should adhere to the one-way system in place around the school and ONLY use the areas designated to them. All other areas are out of bounds
- Pupils must walk around corridors in single file
- Pupils should utilise hand santiser at designated spots around the school
- Pupils must not gather in large groups inside or outside the school
- Pupils should report to school with the required equipment
- Pupils must stop and wait when asked
- Pupils should not attend school if they are unwell or if anyone in their families have Covid-19 symptoms
- Pupils must wash their hands for 20 seconds – all pupils must do this throughout the day.
- Pupils should cough and sneeze into their elbow
- Pupils should place all tissues into the designated pedal bins
- Pupils should avoid touching their eyes, nose and mouth
- Spitting is prohibited

Behaviour that undermines the safe running of the school will not be tolerated. Students that fail to follow the safety procedures will not be permitted on the school site to ensure the safety of all staff and students.”

Achievement and behaviour points will be used for those students that are working from home.

Recognition and rewards for effort

Consistently applied recognition for students help to foster positive behaviour by providing supportive feedback. Recognition is given for good behaviour, effort and work.

We use the following recognition and rewards:

- **Praise**

Every student should experience praise from the range of adults in the school. Students will be regularly and consistently praised for behaving in the right way, being polite and working to the best of their ability.

- **Achievement points**

Achievement points will be awarded for good behaviour, work and effort; representation of the school; and displaying values of the 'Y Pant Way'.

In addition, class teachers may devise simple reward systems that are in line with the school's agreed principles. These may be tailored to the individual needs of the students across the school.

Behaviour for Learning – Graduated Response

At Y Pant we want all students to enjoy school and flourish in a learning environment that is stimulating and challenging. However, we acknowledge that there will be times when students won't always make positive choices about their behaviour. For us, the most important thing is having a set of consequences that are clear, simple, consistently applied and fully supported by parents.

We consistently use a graduated response to managing poor behaviour, using a shared dialogue, and we believe our approach will support students to take ownership

for their behaviour and allow students to reflect on their choices and the impact these have on their learning.

Behaviour Code	Examples	Action
Success Reminder	Low level behaviour problem.	Dealt with by the class teacher
	Examples being: <ul style="list-style-type: none"> Off task or silly behaviour. Failure to complete work. 	<ul style="list-style-type: none"> Verbal reminder of the school rules (Ready, Respectful, Safe). Delivered privately and calmly by the teacher.

Restorative Conversations

- Where issues between a student and a member of staff are not resolved sufficiently, a restorative conversation needs to take place between the two parties.
- This meeting can be supported by the Head of Department, Head of Progress or member of the Senior Leadership Team.
- It should take place at the earliest opportunity, before the two parties are scheduled to meet again.
- Staff will have a script for the restorative conversation that should go as follows:
 - What happened?
 - What were you thinking and how were you feeling?
 - Who else has been affected? And how?
 - What do you need to do to put things right?
 - What do you want to happen now in order to move forward?
- An apology is only of value if it is meant. Forcing a student to apologise is not going to change the situation.

Sanctions

Sanction	Placed in by	Detention ran by	Reasons
After School Detention	HoP/SLT	Duty rota	<p>* Students can be placed here as part of a graduated response or as a result of a specific incident.</p> <p>* Any student that truants a lesson will automatically receive an after school detention.</p>
External Exclusion	SLT	<p>* External exclusion is the last resort for school. It will only occur in very serious circumstances or when the behaviour of a student has become unmanageable.</p> <p>* The school has adopted and follows the “Guidance on Exclusion from Schools and Student Referral Units” (WG circular 001/2004).</p> <p>*Sometimes a period of external exclusion may be supplemented by a period in the inclusion room.</p>	

Behaviour Support Strategies

Behaviour Reports

- Students may be placed on a behaviour report by Heads of Progress if they feel that there has been a deterioration in a student’s behaviour/attitude to learning.
- Every student will have targets agreed in conjunction with the Head of Progress who will monitor the report on a daily basis.

Pastoral Support Plans (PSPs)

- Students will be placed on a Pastoral Support Plan (PSP) if they display persistent poor behaviour.
- A PSP will be led by the Head of Progress Manager and a member of the Senior Leadership Team.
- Parents are expected to attend all PSP meetings.

- The PSPs identifies current issues and sets achievable targets that are to be reviewed in a meeting with a parent after an agreed period.
- A PSP will involve a support package, which might include involvement of other services and is devised in order to assist a student to manage and improve their behaviour.
